

Active Incident Guide

Instantly mark locations, cameras, and officer positions onto the FirstTwo map with meaningful pins for events like canvassing, evacuations, and other live incidents. Great for mass gatherings, natural disasters, tactical operations and more.

Contact support@firsttwo.com for questions about this feature.

New Active Incident

[Click here for an easy tutorial on building a new active incident.](#)

Incident name (as it will appear in layers menu):

Burglary

Visibility:

☐ Initially visible only to you

☒ Initially visible to your entire agency
